

# Possession Point State Park Thanks to the Volunteers who Cleared the Overlook Trail!

Thanks to this great trail clearing team, the Overlook Trail at Possession Point State Park is ready for fall hiking!

From the parking lot, hike the Beach Access Trail to the Forest Loop Trail\* to the Overlook Trail & viewpoint.

**This trail at the southern tip of Whidbey Island is steep!**

\* The upper Forest Loop Trail from junction 234 to the parking lot has not been cleared.
